PROFESSIONAL EXPERIENCE

CallHippo

Mar 2026 – Present

Head of Marketing

Own end-to-end marketing (paid, SEO/AEO, product marketing, web, lifecycle and brand) with a ~$1M annual budget and a team of ~8 (up to 13); accountable for self-serve revenue.

- Grew quarterly marketing pipeline from $54K (Q1) to $84K (Q2 2026), with paid-search pipeline up 55% (Q1–Q3) and organic pipeline up ~2.2x in Q2.
- Drove steady 2–4% month-over-month self-serve MRR growth, lifting self-serve new MRR ~27% (Q1 to Q3); self-serve now drives ~60% of new customers.
- Scaled Google Ads from $45K to $68K/month at an $11.60 CPA against a $23–34 target; identified $63K of unproductive spend and paused ~49 zero-customer campaigns.
- Led the brand-system refresh (new visual identity, messaging and website rollout) and added customer testimonials and case studies to support sales; a homepage A/B test lifted conversion from ~2% to ~3%.
- Lifted landing-page conversion from 5.4% to 8.2% through landing-page optimisation and an exit-intent pop-up.
- Launched the ROI Calculator, generating 800+ leads, and led Deck Composer to $150K+ in assisted pipeline.
- Launched an AI-search (AEO/GEO) channel delivering ~1,000 visits and 12–13 leads per week from AI assistants.
- Led the team in building an AI marketing stack (content, social/design, Reddit and WordPress page bots on n8n); built automated reporting that saves 30–40 hours/month.
- Ran LinkedIn presence for 20+ SDRs, building their personal brands, driving website traffic and lifting LinkedIn conversation rates; aligned sales and marketing on shared OKRs.
